	75Watt	120V

SYLVANIA CAPSYLITE Midbreak lamps last up to 3500-hours life, more than three times that of conventional incandescent bulbs.

SYLVANIA Halogen Midbreak and Halogen Crystal lamps combine a decorative appearance with the brilliant white light of halogen to provide a long life, energy efficient replacement for standard incandescent lamps. Halogen Crystal, with its unique faceted design, adds sparkle to any fixture, indoors or out. No other lamp can deliver the crisp, white light, energy efficiency, and decorative sparkle of a Halogen Crystal.

Halogen Midbreak and Halogen Crystal can be used anywhere conventional incandescent lights are used to add a new dimension to home or business lighting. SYLVANIA Midbreak lamps fit standard fixtures and come in a variety of wattages, making them perfect for almost any lighting need.

Lamp Comparison

Item Number	Lamp Type	Color Temperature (K)	Lumen (lm)	Life (hours)
18960	SYLVANIA 60A/HAL	2950	960	3000
	Brand X BC60BT15/HAL/W	N/A	840	3000
18970	SYLVANIA 100A/HAL	2950	1850	3000
	Brand X BC15BT15/HAL/W	N/A	1670	3000

Application Information

Applications

Hard-to-reach areas
 Indoor / Outdoor
 Retail
 Art galleries
 Hotels, restaurants
 Offices
 Residential

Application Notes

1. Their longer life makes them a brilliant choice for hard to reach areas where ongoing maintenance isn't practical (hallways, track lighting, outdoor lighting)
2. Bright white light and energy efficiency adds a new look to existing fixtures
3. Halogen crystal lamps add sparkle to any fixture

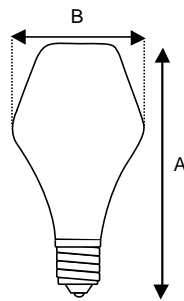

Sample Specification

Lamp shall be Midbreak MB19 halogen lamp with a ____ (2250, 2500, 3000, or 3500) –hour average rated life. Lamp(s) shall be diode free and employ stabilized coils. Lamp shall be energy efficient, and lamp base shall contain no lead solder to make the disposal of used CAPSYLITE Midbreak lamp(s) easier for the end user.
